### MODERN BULLPUP ADVANTAGES BROUGHT TO THE BATTLE RIFLE

## TAVOR® 7

The most revolutionary rifle in the Tavor Bullpup family from IWI. Based on requests from military and civilian customers alike, the Tavor 7 builds on the reliability of an all IWI products with increased ergonomics and better fit/finish compared to the Tavor 7X. The rifle's ergonomic adjustable gas system allows for easy operation. The controls include the ability to lock the charging handle without the use of the bolt carrier to lock the rifle's auto mode. The rifle's magazine release system, and adds a much requested IWI magazine ejection switch. The Tavor 7 offers all the modern concepts "bullpup" rifles have been known for, but in a M730 design.
